FIRST VERSE:

Uh, Well, uh, You dun dun me and you bet I felt it I tried to be chill but you're so hot that I melted I fell right through the cracks And now I'm tryin' to get back

Before the cool dun run out I'll be giving it my bestest And nothing's gonna stop me but divine intervention I reckon it's again my turn To win some or learn some

REFRAIN:

I won't hesitate no more, no more It cannot wait I'm yours

THIRD VERSE:

Well open up your mind and see like me Open up your plans and damn you're free Look in to your heart and you'll find love, love, love

Listen to the music of the moment maybe sing with me I love peaceful melody It's your god forsaken right to be loved, loved, loved,

loved

Doo...Doo...

FIFTH VERSE:

I've been spending way too long checking my tongue in the mirror

And bending over backwards just to try to see it clearer My breath fogged up the glass

And so, I drew in a face and laughed

SIXTH VERSE:

I guess what I'm, uh, sayin' is there aint no better reason

To rid yourself of vanity and just go with the season Says, uh, what we aim to do
Our name is our virtue

I won't hesitate no more, no more It cannot wait I'm sure

(SOLO) (DESCANT)
